

Kitchener Housing Inc.

Committee Members

Company Description

Kitchener Housing Inc. is a non-profit organization dedicated to providing safe, affordable, and inclusive housing for individuals and families throughout the Kitchener community. For decades, the organization has focused on ensuring that people of all incomes, backgrounds, and circumstances have access to stable homes and opportunities to thrive. Its mission emphasizes more than physical housing, prioritizing strong, supportive communities where residents feel connected, empowered, and respected. Through partnerships with local agencies, government, and community groups, Kitchener Housing delivers housing solutions that respond to real needs and create lasting impact. Guided by principles of affordability, sustainability, and dignity, the organization continues to expand access to quality housing and advocate for a more equitable future.

Role Description

Governance Committee Member

Supports strong governance practices, Board effectiveness, policy development, accountability structures, and governance planning as KHI strengthens its systems and prepares for future growth. Ideal for individuals with experience in governance, law, policy, human resources, public administration, risk, ethics, organizational design, or strategic planning. Committee meetings are held **remotely**.

Capital Planning and End-of-Mortgage Committee Member

Supports oversight of KHI's building portfolio, capital priorities, asset condition, major repairs, long-term infrastructure planning, mortgage maturity, and changing funding arrangements. This Committee will help KHI protect existing assets while preparing for future growth, sustainability, and expansion opportunities. Committee meetings are held **remotely**.

Finance, Audit and Risk Committee Member

Supports oversight of budgets, financial reporting, audits, internal controls, reserves, risk, investments, and long-term financial sustainability as KHI strengthens its financial systems and prepares for future growth and capital needs. Committee meetings are held **remotely**.
